OBJECTIVE

A contributive and productive Communication studies student at Temple University with high potential language skills, and highly developed organization and teamwork skills. Seeking an internship/full-time position, where there are many opportunities to contribute to a team, for the means of improving the company through organization, thoughtful additions and fantastic customer communications. With an ultimate goal of self-improvement by being part of one of the best teams and achieving the company's vision.

HIGHLIGHTS OF CORE SKILLS & QUALIFICATIONS:

- Five months of experience in the position of server and kitchen support where multi-tasking skills, observational skills and meeting customers' needs were established.
 - Strong teamwork skills and sensing the situation from playing basketball and being a captain as well as a leader for more than 14 years.
 - Moved to Canada for 3 years and immersed in a different culture, learning many skills and demonstrating adaptability.
 - Enthusiastic, hardworking, organized and supportive class president experience from Elementary school to High school; which was demonstrated through providing creative problem solutions and helping other students and classmates.
 - Highly developed leadership and followership skills exemplified through my actions in club activities and school group activities.
 - Proficient in English (writing and speaking) and fluent in Japanese (writing, reading, and speaking).
 - Competent certifications in Smart Serve, Sanitation, 4 Seasons of Reconciliation and Emergency First Aid & CPR level, TICO Certificate, and TOEIC 875 score.
 - JOC Jr. Olympic swimming meet
-
